i5300

Smart POS Payment Terminal

Built to Elevate Linux POS: Modern, Future-Ready, and Cost-Effective

A next-generation POS solution that preserves the familiar Linux POS interface and user experience—while unlocking the power of Android for faster development, smoother integration, and expanded capabilities.

Ergonomic and Robust Keypad for Trouble-Free PIN Entry

Featuring a 3.5-inch responsive touch screen combined with a robust physical keypad, ensuring seamless operation and reliable PIN entry.

Offers the Best Value at the Right Price

Powered by Android 13 and a high-performance Quad-Core 2.0 GHz processor - your ultimate cost-effective choice.

Optimized Scanning with Top-Facing Camera

Ergonomically positioned for an ideal scanning angle, enhancing usability and convenience.

Versatile Payment Support

Accepts a comprehensive range of payment methods, including magnetic stripe cards, IC cards, NFC / contactless payments, and 1D & 2D barcode scanning.
